ONI DECLASSIFICATION/RELEASE INSTRUCTIONS  
ON FILE

My dear Mr. Baird,

During the month of August, 1959, two seminars on Military Personnel Security will be conducted at the Naval Intelligence School. In providing the necessary background and understanding of Communist objectives, lecturers from your office have given in the past truly outstanding presentations on the "Theory of Communism." It would be appreciated if a lecturer could again be made available to discuss this subject on 3 and 17 August, 1959 from 0915 to 1215. Each seminar will consist of approximately twenty naval officers, all of whom have been cleared for access to information of a SECRET classification.

LCDR D.V. GORMAN, USN, of the Naval Intelligence School faculty (code 1215, Extension 421) is authorized to make detailed arrangements with the designated lecturer.

Sincerely yours,

  
G.S. COLEMAN  
Captain, U. S. Navy  
Acting Director
